WORK EXPERIENCE

MAIL OFFICER @ AUSTRALIA POST

Current

- Elected as Health and Safety representative, being chiefly responsible for the health and safety concerns of over 100 staff members.

PROFESSIONAL ESPORTS ATHLETE

December 2021 - March 2025

Representing Various E-sports Teams in National and International Competitions

- Relied on high-speed information processing, a strong focus on communication and teamwork, and competitive problem-solving skills to represent Australia in international Esports competitions. High levels of concentration during 10+ hour workdays were required to maintain a high level of performance.
- Built a strong and loyal fanbase with thousands of followers on social media with a transparent and authentic communication-style that fans found endearing, performing in front of over an average of 50000 online viewers two times a week.

STUDENT RESEARCHER

2021

- Conducting research in the public health sector by conducting an epidemiological study on the prevalence of dry eye in a university-age population in Australia
- Participated in various workshops and gave presentations regarding public health and research methods.

PROFESSIONAL ESPORTS COACH

2023-Current

- Owner of private coaching company providing esports coaching services to individuals and businesses.
- Utilised my pre-established reputation in the space as well as social media engagement to maintain a strong relationship with a well-established clientele.
- Provide ongoing and reliable customer service.

SKILLS

Excellent Time-Management

- Maintained a rigorous daily professional practice schedule while juggling personal coaching services.

Experienced in Communication-Centric Environments

- Consistently worked in teams of ~10 people to produce consistent results.

EDUCATION

Deakin University

2018 - 2021

Bachelor Of Vision Science

CERTIFICATIONS

- Cert II in Security Operations
